INDEPENDENCE INDUSTRIAL PARK

- *Strategically Located in Kilgore, TX.*

Kilgore has been the premier industrial hub of East Texas dating back to the 1930s. With multiple major thoroughfares traversing the city, Independence Industrial Park's location offers businesses a logistical advantage with a centralized position between Texas's largest cities as well as Louisiana and Oklahoma's oil plays.

Kilgore has formalized the Lone Star spirit into a business climate that includes higher profits and lower costs.
