7.6 SPECIAL ASSESSMENTS. Special assessments may be made for any lawful purpose by the approval of seventy-five percent of the membership at the meeting once a quorum is established.

7.7 DELINQUENT ASSESSMENTS.

(a) If the annual or special assessments, or assessments for maintenance of Common Property, are not paid on or before thirty days after the date when due, then such assessment shall become delinquent and shall, together with interest thereon and costs of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. If the Association files a claim of lien on the public records of Burnet County, against any Lot, a lien fee shall be added to the unpaid assessment and secured by the lien hereby created.

(b) If the annual assessment is not paid within thirty days after the date when due, the assessment shall bear interest from the date of delinquency at the rate of fifteen percent per annum, or the maximum allowed by law. The Association may bring an action of law against the Owner personally obligated to pay the same, or to foreclose the lien against the property, in the same manner as foreclosure of a mortgage, and there shall be added to the amount of such assessment interest as provided herein together with the costs of the action and collection of the assessment, including a reasonable attorney's fee and costs and fees on appeal. Reasonable attorney's fees and costs of collection shall be recoverable whether or not suit is brought. In addition, if the annual assessment is not paid within thirty days after the date when due, then the Owner shall lose right to use of the Common Property (excluding subdivision roads) until such time as assessments are paid in full.

(c) The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien; however, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessment as to payment which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof.

(d) The Association shall upon demand at any time furnish to any Lot Owner liable

for said assessment a certificate in writing and in recordable form, signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

7.8 INSURANCE.

- (a) The Declarant shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents in their capacities as such, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least one million dollars (\$1,000,000.00). The Association shall be responsible to ensure this policy stays intact once the Common Property is turned over to the Association.
- (b) Insurance coverage obtained by the Association shall be written in the name of the Association, as trustee, for the respective benefitted parties, as further identified in subparagraph (ii) below. Such insurance shall be governed by the provisions hereinafter set forth;
 - (i) All policies shall be written with a company licensed to do business in Texas;
 - (ii) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Board; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto;
 - (iii) In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with insurance purchased by individual Lot Owners, occupants, or their Mortgagees, and the insurance carried by the Association shall be primary;
 - (iv) All casualty insurance shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies shall be reviewed annually by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the county where the property is located;
 - (v) The Board shall be required to make every reasonable effort to secure insurance policies that provide for the following:
 - (1) a waiver of subrogation by the insurer as to any claims against the Association, the Association's manager, the Owners and their respective tenants, servants, agents, and guests;
 - (2) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;
 - (3) a provision that no policy may be canceled, invalidated, suspended or subjected to non-renewal on account of any one or more individual Owners;
 - (4) a provision that no policy may be canceled, invalidated, suspended, or subjected to non-renewal on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee;
 - (5) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and
 - (6) that no policy may be canceled or substantially modified or subjected to non-renewal without at least thirty days prior

written notice to the Association.

- (c) Each Owner covenants and agrees that in the event of damage and destruction of structures on their Lot(s), Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration, unless a determination not to rebuild is made. The Owner shall pay all costs of repair or reconstruction which are not covered by insurance proceeds. In the event that the structure is totally destroyed and a determination is made not to rebuild or to reconstruct, Owner shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and thereafter the Owner shall continue to maintain the Lot in a neat and attractive condition consistent with the community-wide standard.

7.9 REPAIR AND RECONSTRUCTION. In the event of damage to or destruction of all or any part of the Common Property as a result of fire or other casualty, unless at least seventy five percent (75%) of the Lot Owners, vote not to proceed with the reconstruction and repair of the structure, the Association or its duly authorized agent shall arrange for and supervise the prompt repair and restoration of the damaged structures.

- (a) Cost Estimates. Immediately after a fire or other casualty causing damage to the Common Property, the Association shall obtain reliable and detailed estimates of the cost of repairing and restoring the structures to substantially the condition which existed before such casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Such costs may also include professional fees and premiums for such bonds as the Association determines to be necessary.
- (b) Source and Allocation of Proceeds. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair, as determined by the Association, or if at any time during the reconstruction and repair or upon completion of reconstruction and repair the funds for the payment of the costs thereof are insufficient, a special assessment shall be made against all of the Lot Owners without the necessity of a vote of the members. If after repair and reconstruction is completed there is a surplus of funds, such funds shall be common funds of the Property to be used as directed by the Board.
- (c) Plans and Specifications. Any such reconstruction or repair shall be substantially in accordance with the plans and specifications under which the structures were originally constructed, except where changes are necessary to comply with current applicable building codes or where improvements not in accordance with the original plans and specifications are approved by the Association.
- (d) Construction Fund. The net proceeds of the insurance collected on account of a casualty and the funds collected by the Association from assessments against Lot Owners, if any, on account of such casualty shall constitute a construction fund which shall be disbursed in payment of the cost of reconstruction and repair in the manner set forth in this Paragraph to be disbursed by the Association in appropriate progress payments to such contractor(s), supplier(s), and personnel performing the work or supplying materials or services for the repair and reconstruction of the buildings as are designated by the Association.
- (e) Damage to or Destruction of Dwellings on Lots. In the event of damage to or destruction of structures on a Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration, unless a determination not to rebuild is made

by the Lot Owner in cases of substantial damage or destruction. If the structure is substantially destroyed and a determination is made not to rebuild or to reconstruct, the Owner shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction, and, thereafter, the Owner shall continue to maintain the Lot in a neat and attractive condition consistent with the Community-Wide Standard.

- (f) Tree damage on Lot. Lot Owner(s) shall proceed promptly to remove all damaged or fallen trees or those that have been cut on said Lot.
- 7.10 SALE OF LOTS. Within thirty days after receiving title to a Lot, the purchaser of the Lot shall give the Association written notice of their Ownership of the Lot(s). Upon failure of an Owner to give the required notice within the thirty-day time period provided herein, the Association may levy fines against the Lot and Owner thereof, and assess the Owner for all costs incurred by the Association in determining their identity.
- 7.11 SECURITY. The Declarant or Association may, but shall not be required to, from time to time, provide measures or take actions which directly or indirectly improve safety on the Property; however, each Owner, for himself or herself and his or her tenants, guests, licensees, and invitees, acknowledges and agrees that the Association is not a provider of security and shall have no duty to provide security on the Property. It shall be the responsibility of each Owner to protect his or her person and property and all responsibility to provide security shall lie solely with each Lot Owner. Neither the Declarant nor Association shall be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.
- 7.12 ESCROW ACCOUNT. All funds collected are required to be held in an escrow account under these covenants.
- 7.13 DECLARANT'S RIGHT TO ASSESSMENTS. So long as Declarant owns and/or maintains the Common Property, Declarant shall have the right to the proceeds collected by the Association from any and all Assessments to pay for the maintenance, taxes and insurance of the Common Property. In the event the Association fails to reimburse or pay, on demand, the Declarant the amounts necessary as set forth above, the Declarant shall have the right, by written notice to each Lot Owner, to instruct that all further Assessments be paid to Declarant in lieu of the Association, and to enforce non-payment of Assessments by Lot Owners in such an event in the manner set forth above.
