A VISIONARY’S DREAM!

It takes someone with extraordinary ability to look into the future of any industry to see what others cannot see. History is full of a select few: Henry Ford, Andrew Carnegie, John D. Rockefeller. Fortunately for the cattle industry, there was David W. Gust Sr. Someone with the guts, foresight, and determination to help give the Angus industry a brighter future and improve the breed we see today.

Now, decades later, you have the opportunity to carry this vertically integrated system forward into the future and add your own mark and brand as well. You, in turn, will be rewarded by being a part of the **“RICH RANCHING LEGACY”** that is the **CIRCLE A RANCH**.

Thereby securing your own and your family’s name in the cattle ranching industry. Give us a call and we will be honored to help you make your dreams come true.

Best of Luck!
