3.1 Division and Consolidation. Excluding Lots owned by Declarant (which may be divided and/or reconfigured as described in Section 2.2), except as allowed in the last 2 sentences of this Section 3.1, once a Plat is recorded, no Lot shown on that Plat may be divided to create additional Lots, nor may any Owner of a Lot adjust boundary lines with an adjacent Lot or convey easements, licenses or interests other than the entire fee simple interest in that Owner's Lot, without obtaining Declarant's prior written approval in each case. This Section 3.1 does not require Declarant approval to the grant of a Mortgage or the conveyance of undivided fee simple interests in a single Lot to persons holding same as tenants in common. An Owner of adjacent Lots may combine the adjacent Lots into one Lot. For all other purposes of this Declaration (e.g., setback lines), the consolidated lots will be treated as a single Lot, except for fees owed per Lot. The consolidation of two or more Lots will not waive any fee for a single Lot, and any Owner will still be responsible for each Lot's fee due pursuant to this Declaration. All septic systems must be kept in good working order, odor free at all times. If an Owner uses a recreational vehicle or other temporary structure as a dwelling, the Owner must either install such a septic system on the Lot to service such vehicle, home or structure, or use a holding tank to contain the wastewater generated from such vehicle, home or structure, and arrange for the regular servicing and emptying of any such holding tank at the Owner's expense. None of the Property may be used to mine, quarry or otherwise remove minerals, rocks, stones, sand, gravel, aggregate, earth or water, except that water wells may be installed on a Lot to provide water only to the residences, animals or livestock located on such Lot. by Texas Parks and Wildlife or the Burnet County Extension Office. Except as a part of a 4-H project or for household consumption, no swine may be raised on the Property. No vicious or dangerous animals are allowed on the Property.

No odors shall be permitted to arise from rubbish or debris so as to render any of the Property unsanitary, unsightly, offensive, or detrimental to other areas of the Property, other land or the occupants of either. Refuse, garbage, and trash must be kept at all times in covered, animal-proof containers out of Public View (except as required to make same available for collection, and then only as reasonably necessary to effect such collection). Each Owner must enter into a contract for the regular removal of trash from the Lot at the expense of such Owner. A centralized trash location may be located outside of the Main Entry Gate.

3.7 Signs. No sign of any kind shall be displayed in Public View on any Lot without Declarant's prior written approval, except 1 sign of no more than 6 square feet advertising the Lot for sale. Signs that advertise a Lot or residence thereon as being "For Rent", "For Lease" or otherwise advertising the Lot's availability for a rental arrangement are prohibited.

3.8 Temporary Structures. No tent, shack, or other temporary building, improvement or structure may be placed in a Visible Location on a Lot without Declarant's prior written approval.

With written approval from the Declarant, a Lot may be used for a wedding venue, winery, bed and breakfast, or short-term rental property.

ARTICLE IX

FUNDS AND ASSESSMENTS

9.1 In General.

(a) Assessments under this Declaration will be levied on a uniform basis against each Lot within the Property, without regard to improvement, but no Assessments will be levied against Lots owned by Declarant. Declarant will determine the initial date for levy of regular assessments against the Lots. If additional Lots are subsequently annexed into the Property, the Owners of those Lots will be obligated to pay Assessments effective as of the date of annexation unless specified to the contrary in a Supplementary Declaration.

(b) If the obligation to pay an Assessment arises on a day other than the first day of the period for which the Assessment was levied, the Assessment shall be prorated as of the date the obligation first arose.

(c) Each unpaid Assessment, together with interest thereon and costs of collection set out herein, will be the personal obligation of the Owner of the Lot against which the Assessment fell due, and will be secured by a vendor's lien against such Lot and all Improvements thereon. No Owner may exempt himself from liability for such Assessments. The Company may enforce payment of Assessments in accordance with the provisions of this Article.

9.2 Operating Fund. The Board will establish an operating fund into which will be deposited all monies paid to the Company and from which disbursements shall be made to perform the functions of the Company under this Declaration. The funds of the Company must be used solely for purposes authorized by this Declaration, as it may from time to time be amended.

9.3 Regular Annual Assessments/Transfer Fees. Promptly after formation of the Company, and thereafter before the beginning of each fiscal year, the Board will estimate the expenses to be incurred by the Company during such year in performing its functions under the Restrictions, including but not limited to duties required and activities authorized herein of the Company and the Board, and including a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund. Assessments sufficient to pay such estimated net expenses will be levied, and the level of Assessments set by the Board will be final and binding so long as it is made in good faith. If the sums collected are inadequate for any reason, including nonpayment of Assessments by any Owner, the Company may at any time and from time to time levy additional Assessments for the same year in the same manner. Regular Assessments will be due and payable to the Company at the beginning of the fiscal year or in such other manner as the Board may designate in its sole and absolute discretion. ***Beginning at the date of recording of these Restrictions, all Owners shall be subject to a fee of Five Hundred Dollars (\$500.00) per year to fund maintenance of the subdivision. Additionally, there shall be a transfer fee in the amount of One Thousand Dollars (\$1,000.00) for every sale of a Lot.***

9.4 Special Assessments. In addition to the regular annual Assessments provided for above, the Board may levy special Assessments whenever the Board considers special Assessments necessary to enable the Board to carry out the functions of the Company under the Restrictions. The amount of any special Assessment shall be at the reasonable discretion of the Board.

9.5 Interest. Late Fees. In the event of default in the payment of any Assessment, the defaulting Owner shall pay interest at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date thereof (if there is no such highest rate, then at the rate of 18% per year), together with all costs and expenses of collection, including reasonable attorneys' fees. The Board may charge late fees for delinquent payment of Assessments in such amounts as the Board elects from time to time.

9.6 Assessment Lien and Foreclosure. All sums assessed under this Article but unpaid, together with interest, any late fees and the costs of collection, are secured by the Assessment Lien, which is a continuing lien and charge on the Lot assessed, which will bind such Lot, its Owner, and such Owner's heirs, devisees, personal representatives, successors or assigns. The Assessment Lien is superior to all other liens and charges against the Lot except tax liens and liens of first Mortgages that secure unpaid sums borrowed to acquire or improve the Lot in question, which are superior to the Assessment Lien. The Company, in the discretion of the Board, may subordinate an Assessment Lien to any other lien, such subordination must be signed by a duly authorized officer of the Company. To evidence an Assessment Lien, the Company shall prepare a Notice of Lien stating the amount of the unpaid debt, the Owners of the Lot covered by the lien and a description of the Lot. Such notice shall be signed by an officer of the Company and shall be recorded in the Official Public Records of Burnet County, Texas. The Assessment Lien shall attach with the priority above set forth from the date that the payment secured becomes delinquent. On the written request of any Mortgagee, the Company shall report to said Mortgagee any Assessment which then has been unpaid more than 30 days after the date due.

Each Owner, by accepting a deed to his Lot, recognizes the Assessment Lien as existing before his ownership of his Lot and grants the Board the right and power to bring all actions against such Owner or Owners personally to collect unpaid Assessments and other sums due hereunder as a debt, and to enforce the Assessment Lien by all methods available for the enforcement of liens, both judicially and by non-judicial foreclosure pursuant to Texas Property Code § 51.002 (as same may be amended or revised from time to time hereafter). By acceptance of the deed to his Lot, each Owner GRANTS, BARGAINS, SELLS AND CONVEYS to the President of the Company (from time to time serving) as trustee (and to any substitute or successor trustee as hereinafter provided for), that Owner's Lot and all rights appurtenant thereto, in trust, to secure such Owner's payment of Assessments and other sums due hereunder from time to time. The trustee herein designated may be changed any time and from time to time by execution of an instrument in writing signed by the President or Vice President of the Company and filed in the Official Public Records of Burnet County, Texas. If the Board elects to foreclose an Assessment Lien due to nonpayment of sums secured by such lien, it will be the duty of the trustee, or his successor, as hereinabove provided, at the Board's request (which request shall be presumed) to enforce this trust and to sell such Lot, and all rights appurtenant thereto, in accordance with the provisions of Texas Property Code §51.002 (or the successor to such statute), and to make due conveyance to the purchaser(s), with general warranty of title to such purchaser(s) binding upon the Owner(s) of such Lot and his heirs, executors, administrators and successors. Notice pursuant to such statute shall be deemed given upon deposit of the notice, enclosed in a postpaid wrapper, properly addressed to such Owner(s) at the most recent address as shown by the records of the Company, in a post office or official depository under the care and custody of the United States Postal Service. The affidavit of any person with knowledge of the facts to the effect that such service was completed will be prima facie evidence of the fact of such service. In any foreclosure proceeding, whether judicial or non-judicial, the Owner must pay the costs, expenses, and reasonable attorneys' fees incurred. At any foreclosure, judicial or non-judicial, the Company may bid up to the amount of the sum secured by the Assessment Lien (including late fees, interest, costs and attorneys' fees), and may apply as a cash credit against its bid all sums due to the Company secured by the Assessment Lien foreclosed. From and after any such foreclosure, the occupants of such Lot will pay a reasonable rent for the use of such Lot, such occupancy shall constitute a tenancy-at-will, and the purchaser at such foreclosure may have appointed a receiver to collect such rent, and may sue to recover possession of such Lot by forcible detainer without further notice. This Section 9.6 is intended to comply with the provisions of Texas Property Code §51.002, relating to non-judicial sales by power of sale. If §51.002 is amended so as to affect this Section, the President of the Company, without joinder of any Owner, Mortgagee or other person, may by amendment to this Declaration filed in the Official Public Records of Burnet County, Texas, amend this Section so as to comply with said amendments to §51.002.

Such address may be changed from time to time by notice in writing given by such person to the Declarant.

10.4 Interpretation. The provisions of this Declaration will be liberally construed to effectuate the purpose of creating a uniform plan for the development and operation of the Property and to promote and effectuate the fundamental concepts of the Property set forth in this Declaration. Any assignment by Declarant will be effective only when an instrument executed and acknowledged by Declarant evidencing such assignment is recorded in the Official Public Records of Burnet County, Texas.

10.7 Compliance with the Restrictions. Each Owner shall comply strictly with the provisions of the Restrictions as from time to time amended. If any Owner fails to comply with any of the Restrictions within 10 days after notice of such failure from Declarant or the Board, such failure will give rise to a cause of action to recover sums due for damages or injunctive relief or both, which may be maintained by Declarant, the Board, or by any Owner, at the individual Owner's election and expense. Declarant may establish a schedule of fines for violations of the Restrictions, and may adjust the amounts set forth on such schedule from time to time. The schedule, as adjusted, shall be provided to an Owner upon such Owner's request. If any Owner defaults in the payment of a fine so assessed, such Owner shall be obligated to pay interest at the highest rate allowed by applicable laws then in effect on the amount of the fine, beginning 10 days after the date the fine is assessed (or if there is no such highest rate, then at the rate of 18% per month), together with all costs and expenses of collection, including reasonable attorneys' fees. Declarant also may charge a one-time late fee for delinquent payment of a fine in such amount as Declarant may from time to time deem appropriate. The payment of any fine so assessed, together with attorneys' fees, interest and/or late fees thereon, shall be secured by the Assessment Lien, and shall be subject to the same penalties for non-payment, including without limitation, judicial or non-judicial foreclosure. Once the 10-day notice period of a violation has expired, each day during which a violation continues shall be deemed a separate violation for which an additional fine may be imposed. On the Control Transfer Date, Declarant's rights under this Section will transfer automatically to the Board.

10.8 No Warranty of Enforceability. While Declarant has no reason to believe that any of the covenants, terms and provisions of the Restrictions are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenants, terms, or provisions. Any Owner acquiring a Lot in reliance on one or more of such covenants, terms, or provisions assumes all risks of the validity and enforceability thereof and, by acquiring the Lot, will indemnify and hold Declarant harmless therefrom.

10.9 Enforcement; Non-waiver. Except as otherwise provided herein, any Owner at such Owner's expense, and/or the Declarant, may enforce any and all provisions of this Declaration and the Restrictions. This right of enforcement includes both damages for, and injunctive relief against, the breach of any such provision. The failure to enforce a provision of the Restrictions at any time will not waive the right thereafter to enforce any such provision or any other provisions of the Restrictions.

10.10 Construction. The provisions of the Restrictions are independent and severable, and the invalidity or partial invalidity of any provision will not affect the validity or enforceability of any other provision. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine or neuter shall each include the masculine, feminine and neuter. All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise effect that which is set forth in any of the paragraphs, sections or articles hereof.

If no election is made within said 30-day period, the Complaining Owner may proceed to institute a judicial action against the Adverse Party. If any Adverse Party elects to submit the dispute to non-binding mediation, however, the Adverse Party shall so notify the Complaining Owner within said 30-day period, which notice of election shall include the name of 3 qualified mediators acceptable to the Adverse Party, and no judicial action or process may be commenced against the Adverse Party until the mediation has concluded. A qualified mediator shall be any attorney-mediator with experience in mediating disputes involving real estate who does not reside within the Property, work for any party involved in the dispute or have any conflict of interest with any party involved in the dispute. The Complaining Owner shall have 5 days within which to accept one of the three mediators so named in the notice of election and to so notify the Adverse Party. If the Complaining Owner does not timely notify the Adverse Party of the Complaining Owner's acceptance of a mediator, the Adverse Party may select one of the named mediators as the sole mediator for the mediation. The mediation shall take place within 30 days after the mediator is determined. The cost of such mediator shall be paid equally between the parties.
