# PROPERTY DISCLOSURE DOCUMENT

In accordance with LSA-R.S. 9:3196-3200, a SELLER of residential real property shall furnish BUYERS with a *Property Disclosure Document*. A complete copy of these statutes may be found at: <a href="https://www.legis.la.gov">www.legis.la.gov</a>. The required *Property Disclosure Document* may be in the form promulgated by the Louisiana Real Estate Commission ("Commission") or in another form containing substantially the same information. The Commission form may be found at: <a href="https://www.lrec.gov">www.lrec.gov</a>.

RIGHTS OF BUYER AND CONSEQUENCES FOR FAILURE TO DISCLOSE: If the *Property Disclosure Document* is delivered after the BUYER makes an offer, the BUYER can terminate any resulting real estate contract or withdraw the offer for up to 72 hours after receipt of the *Property Disclosure Document*. This termination or withdrawal will be without penalty to the BUYER, and any deposit or earnest money shall be promptly returned to the BUYER (despite any agreement to the contrary).

DUTIES OF REAL ESTATE LICENSEES AND CONSEQUENCES FOR FAILURE TO FULFILL SUCH DUTIES: Louisiana law requires real estate licensees to inform their clients of those clients' duties and rights in connection with the *Property Disclosure Document*. Failure to inform could subject the licensee to censure, suspension, or revocation of his or her license, as well as fines. The licensee is not liable for any error, inaccuracy, or omission in a *Property Disclosure Document*, unless the licensee has actual knowledge of the error, inaccuracy, or omission by the SELLER.

### **KEY DEFINITIONS:**

- "Residential real property" or "property" is real property consisting of one or not more than four residential dwelling units, which are buildings or structures each of which are occupied or intended for occupancy as single-family residences.
- "Known defect" or "defect" is a condition found within the property that was actually known by the SELLER and that results in one or all of the following:
  - a) It has a substantial adverse effect on the value of the property.
  - b) It significantly impairs the health or safety of future occupants of the property.
  - c) If not repaired, removed, or replaced, significantly shortens the expected normal life of the property.

### OTHER IMPORTANT PROVISIONS OF THE LAW:

- A Property Disclosure Document shall NOT be considered a warranty by the SELLER.
- A Property Disclosure Document is for disclosure purposes only; it shall not be construed as part of any contract between the SELLER and the BUYER.
- The Property Disclosure Document shall not be used as a substitute for any inspections or warranties that the BUYERS or SELLER may obtain.
- Nothing in this law precludes the rights or duties of a BUYER to inspect the physical condition of the property.
- The SELLER shall not be liable for any error, inaccuracy, or omission of any information required to be delivered to the BUYERS if the error, inaccuracy, or omission was not a willful misrepresentation, according to the best of the SELLER's information, knowledge, and belief or was based on information provided by a public body or another person with a professional license or special knowledge, who provided a written or oral report or opinion that the SELLER reasonably believed to be correct and which was transmitted by the SELLER to the BUYER.
