B. *Permitted accessory or temporary uses and structures in all commercial districts:*

- (1) Permitted accessory uses and structures in all commercial districts are: Signs identifying the name and type of activity conducted on the same premises; and, garages or other buildings not used as dwellings and accessories to the principal uses.
- (2) In the C-4 and A/C Commercial districts, screened outside storage shall be permitted behind the building line as an accessory use to a permitted use. Screening shall be required from adjoining and contiguous properties by a wall, fence or other approved enclosures. Screening shall meet an eighty (80) percent opacity standard. Such screening shall be located behind the building line and shall have a minimum height of five (5) feet and maximum of eight (8) feet.
- (3) In the C-2 district, welding shops customarily incidental to the principal use of the property shall be permitted as an accessory use provided the welding shop does not exceed twenty-five (25) [percent] of the principal use area.
- (4) Temporary uses or structures are allowable in the parking area of all commercial districts provided they are the same use or accessory to a permitted established use on the property. Such temporary uses or structures must be authorized by the property owner and authorized by the owner of an established use on the site. General Regulations for Temporary Uses and Structures set forth in Article II, Section 2 of this code [appendix] shall apply to temporary uses or structures allowable hereunder. Said temporary uses or structures shall be allowed on a commercial parcel no more than four (4) times during a calendar year and the aggregate duration of all such events totals no more than sixty (60) days per calendar year with no one event exceeding thirty (30) days in duration.
- (5) Portable storage structures are allowable in conjunction with the commercial use of a property provided an

area for their placement is designated on a site plan. The area shall be located behind the principal permitted use on the property and not visible from the street. The area shall not be located within buffers or parking areas, or otherwise impede the traffic circulation associated with the principal permitted use. Placement of the storage structures must meet minimum setback requirements for accessory buildings and secure a zoning permit. If the portable storage structure area is placed adjacent to residentially zoned property, it must be shielded from view.

- (6) In all commercial districts the display of merchandise and products for retail sale is allowed provided the display occurs on the sidewalk adjacent to a customer entrance to the principle structure.

 - (8) Special exception uses in a OP Office-Professional District shall be as follows: As allowed per Article V, Section 8, subsection C. of these regulations.
- D. *Dimension and area regulations:* The following dimension and area regulations shall apply in the respective commercial districts:
- (1) *Minimum front yard requirements for all commercial zoning districts:*
 - (a) The front yard requirement along U.S. 19, S.R. 50, U.S. 41, U.S. 98, U.S. 301, C.R. 578, C.R. 485 shall be one hundred twenty-five (125) feet.
 - (b) Along all other functionally classified roads not included in (a) above identified on the Existing Functional Classification Map developed by Hernando County, the front setback shall be seventy-five (75) feet; provided, however, any yard variances existing on October 1, 1987, shall remain in full force and effect on property rezoned to CM-1 or CM-2.
 - (c) Along all roadways not identified on the Existing Functional Classification Map, the minimum front yard requirement is thirty-five (35) feet.

The Existing Functional Classification Map developed by Hernando County is hereby adopted by reference and made part of this section. The official Existing Functional Classification Map shall be placed on file at the Hernando County Planning Department. The Existing Functional Classification Map may be modified by board resolution at any time upon notice of an advertised public hearing.
 - (2) *Minimum side yard requirement:* The minimum side yard requirement in all commercial districts is twenty (20) feet.
 - (3) *Minimum rear yard requirement:* The minimum rear yard requirement in all commercial districts is thirty-five (35) feet. The board may, upon request by the applicant, reduce the required rear yard where such rear yards would be adjacent to railroad sidings if such reduction would not be detrimental to surrounding areas.
 - (4) *Required land area:* C-3 Commercial Districts shall consist of no more than three (3) acres of land area; A/C Districts shall consist of no more than five (5) acres.
 - (5) *Commercial lots adjacent to residential districts:* All commercial uses in all commercial districts which are located on lots adjacent to a residential district shall maintain a minimum setback requirement for all structures of thirty-five (35) feet in the side or rear yard adjacent to the residential district. The outermost portion of the thirty-five-foot setback bordering the parcel and adjacent to the residential district shall consist of a five-foot landscaped separation strip. The commercial use located on such lot shall be permanently screened from the adjoining and contiguous residential properties by a wall, evergreen hedge and/or other approved enclosures. Such screening shall be located within the required separation strip and shall have a minimum height of five (5) feet and maximum height of eight (8) feet.
 - (6) *Commercial water body setbacks in the CM-1 and CM-2 Districts:* Where any of the above (front, side, rear) setbacks in a CM-1 and CM-2 District are adjacent to a navigable water body, the setback may be reduced to

twenty-five (25) feet.

- (7) *Communication tower setbacks in the C-4 District:* A monopole tower shall meet the setbacks of the C-4 District. In no case shall a monopole tower one hundred (100) feet in height or greater be located within one hundred twenty-five (125) percent of its height to any residentially zoned property, unless such property is used or designated for a nonresidential use. In no case shall a monopole tower less than one hundred (100) feet in height be located within one hundred (100) percent of their height to any residentially zoned property unless such property is used or designated for a nonresidential use.
- (8) *Maximum building height:* In C-1, C-2, C-4, OP and A-C Commercial Districts, the maximum building height is forty-five (45) feet and/or three (3) stories. In C-3 Commercial Districts, the maximum building height is thirty-five (35) feet and/or two (2) stories. The maximum building height permitted, except within the C-3 Commercial District, may be increased, provided one additional foot is added to each of the required yards for each additional foot of building height constructed over the maximum building height permitted. In such cases, the minimum side yard requirement shall be thirty-five (35) feet plus one additional foot for each additional foot of building height permitted.

E. *Residential Protection Standards in all commercial districts:*

- (1) There shall be no speakers or other sound equipment located within 100 feet of any single family residential district property line.
- (2) There shall be no buildings containing alcoholic beverage dispensation establishments, convenience stores, or automotive and truck repair establishments located within 100 feet of any single family residential district property line.
- (3) No commercial activities which include customer entrances, drive-up windows, ordering boxes, or loading/unloading areas shall be allowed to operate between the hours of 12 midnight and 7:00 a.m. within 100 feet of any single family residential district property line.
- (4) No building within 100 feet of any single family district residential district property line shall be more than 20 feet in height.
- (5) All loading bays and loading docks must be a minimum of 100' from any residential district property line. Additionally, all loading bays and loading docks must be screened from view from the public right-of-way or single family residential district property line. Screening may include landscape plantings, berms, fences or walls.
- (6) Air conditioning and/or other operational equipment must be oriented away from single family residentially zoned property, or screened to minimize noise impacts and reduce visual incompatibility to the single family residentially zoned property. Screening may include landscape plantings, berms, fences or walls.
