this property falls in flood zone "AE".

GENERAL NOTES

1. The original drawing of this work is the property of Alvin Fairburn & Assoc., Inc. reproduction of this print is prohibited except by permission of this firm. Additional information is often added in a continuous updating process. Check for latest revision data before acting on data shown. This firm is not responsible for actions or projects taken based upon obsolete drawings for which this firm was not specifically consulted.
2. Property restrictions, servitudes, and/or rights-of-way other than those shown may exist on this property and owners or potential buyers should be aware that abstracting the title to this property to show all encumbrances was not within the scope of this survey.
3. Bearings shown are based on reference no. 1.
4. * Indicates taken from reference and not surveyed.
5. Wetland determination was not requested, and was not included in this survey.
6. (Rec.) is information taken from reference.
7. (Sy.) is information actually surveyed on the ground.

This is to certify that this plat is made in accordance with Louisiana Revised Statutes 33:5091 et. seq. and conforming to all Parish ordinances governing the subdivision of land. This map is made in accordance with the minimum standards for Boundary Surveys for Class C Survey and it was the intent to subdivide this surveyed tract into the platted subdivision. This certification is specifically restricted to the client for his required subdivision of property only, and does not extend to third parties unless the plat is properly revised by the certifier to reflect same.
