FARM DESCRIPTION

PRICE: \$439,600

This 80 acre recreational tracts that offer a nice ROI, with good hunting potential are hard to find today in Decatur County, Iowa. Here is a very nice 80 +/- acre farm located 1.5 miles North of Garden Grove, Iowa in Decatur County.. The property consists of 59.5 +/- farmland acres currently being farmed on a corn/soybean rotation. There is a new CRP contract on the cropland acres that will enroll 54.51 tillable acres in CRP paying \$162.69 / acre. Two food plot locations were strategically left out of CRP totaling approximately 5 acres which will allow you to hunt on any wind and give you a diversity of food plot plantings. The buyer can elect to opt out of the CRP contract terms and continue to farm the farm if one desires The remaining balance consists of good wildlife habitat and a creek. Whitetail deer and turkey are high in density in the Garden Grove area. Give Land Broker Cody Skinner or Matt Skinner a call today to set up a private showing!

Details

- Decatur County, Iowa Garden Grove neighborhood, top tier area known for age class, low hunting pressure & outstanding genetics! Land in this area rarely comes up for sale.
- Five tons of organic compost and three tons of ag lime fertilizer were applied to the property in recent years
- Smaller more affordable farm that will soon be a wildlife paradise with new CRP sign-up!
- There is a new CRP contract on the cropland acres that will enroll 54.51 tillable acres in CRP paying \$162.69 / acre.
- Two food plot locations were strategically left out of CRP totaling approximately 5 acres which will allow you to hunt on any wind and give you a diversity of food plot plantings.
- The buyer can elect to opt out of the CRP contract terms and continue to farm the farm if one desires
- Seller would be willing to assist in CRP seeding and has all the equipment and knowledge. Call agents to discuss.
- Very easy to hunt & when the CRP fills in- it will be substantially better & likely will hold a large pheasant population like other CRP farms in the area
- 59.5 +/- open acres currently being farmed on a cash rent basis.
- The farm has been aggressively fertilized for the last 3 years. 6 tons of compost has been applied in the last 2 years alone. 3 tons of Des Moines water works lime have also been applied. Several hundred dollars per acre have been spent on fertility & lime.
- \$30,000+ was invested in tile & terrace work & a new fence on the east end of the farm. All waterways have been tiled & terraced as well as some moist bottom areas to assist with drainage & productivity
- Lots of whitetail deer and turkey signs on the property, this farm has been lightly hunted in the last several years. A 180" deer was shot just west of this property in 2023.
- See the trail camera history on the property!
