PLANNING MATERIALS, PERMITS AND CONTRACTS:								
(1)	The following items concerning the on-site sewer facility are attached: □ Planning materials □ Permit for original installation □ Final inspection when OSSF was installed □ Maintenance contract □ Manufacturer information □ Warranty information ☑ other							

I don't have planning materials but this is a new, larger septic system than what came with the property. It was installed about 3 years ago.

- (2) "Planning materials" are the supporting materials that describe the on-site sewer facility that are submitted to the permitting authority in order to obtain a permit to install the on-site sewer facility.
- (3) It may be necessary for a buyer to have the permit to operate an on-site sewer facility transferred to the buyer.
- D. INFORMATION FROM GOVERNMENTAL AGENCIES: Pamphlets describing on-site sewer facilities are available from the Texas Agricultural Extension Service. Information in the following table was obtained from Texas Commission on Environmental Quality (TCEQ) on 10/24/2002. The table estimates daily wastewater usage rates. Actual water usage data or other methods for calculating may be used if accurate and acceptable to TCEQ.

<u>Facility</u>	Usage (gal/day) without water- <u>saving devices</u>	Usage (gal/day) with water- <u>saving devices</u>
Single family dwelling (1–2 bedrooms; less than 1,500 sf)	225	180
