## Home Features and Amenities

An inviting covered porch looks out to a native plant and cactus garden that welcomes you to the four bedroom, three-bath 2,700+ sq. ft. of conditioned living space. The home is designed for every room to provide ever changing, unobstructed views of the mountains and surrounding trees and landscaping.

The open living area features a kiva fireplace with gas logs and provides ample room for multiple conversation areas and separate dining. Additional dining space is available in the kitchen. New stainless steel appliances are in place. Custom cabinets are plentiful throughout the kitchen. An interior utility room features a vessel sink with reverse osmosis, pantry and storage.

Sequestered primary suite with tiled walk-in shower and vanity has a large walk-in closet and looks out to Blue Mountain and the front garden. An additional two bedrooms with spacious closet spaces, are located through an arched doorway off of the main living area and each accommodates a king-sized bed. These bedrooms share a full bath with tub shower enclosure. A fourth sequestered 750+sf bonus room with ensuite full bath is currently used as a fourth bedroom and can easily serve as a game room, home office, or in-law suite.

The home boasts stunning hand-made cabinets, 6x8 rough-sawn pine beams, intricately carved corbels, vigas, brick flooring, Saltillo tile and a traditional kiva fireplace. In-floor radiant heating ensures comfort during the cooler months.

An attached two-car adobe carport with a built-out 240+/- sqft adobe workshop, affords side entry into the mudroom. A productive private well provides water service to the home and garden faucets and in addition, a 1,500 gallon water catchment system harvests rain and dew from the home's roof for irrigation purposes. A 7500kW watt emergency generator that operates off of gasoline or propane will convey with the home. Private on-site septic system.

The home has zoned electric heating and air conditioning, in-floor radiant heating, kiva fireplace with gas logs and three tankless water heaters.

350 sqft rear deck with hot tub overlooks the rear acreage and has unobstructed views of the Milky Way and stars above. The upper acreage looks out to the domes of McDonald Observatory.
