

3.3.3 Table Key

The following is a list of the meanings of table entries:

- A. "P" indicates that the use is permitted by right in the zoning district.
- B. A blank space under a zoning district column indicates that a use is not permitted in that district.
- C. A section number listed in the "Conditions" column indicates that the use has additional conditions for the zoning district in which it is permitted. The section number refers to the regulations in Section [3.4](#).
