*If Rı	iver is concerned about these matte	rs Ruver ma	v consult Information About Flood Hazards (TXF	2 1414)

if Buyer is concerned about these matters, Buyer may consult information About Flood Hazards (TXR 1414).

For purposes of this notice:

"100-year floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a special flood hazard area, which is designated as Zone A, V, A99, AE, AO, AH, VE, or AR on the map; (B) has a one percent annual chance of flooding, which is considered to be a high risk of flooding; and (C) may include a regulatory floodway, flood pool, or reservoir.

"500-year floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a moderate flood hazard area, which is designated on the map as Zone X (shaded); and (B) has a two-tenths of one percent annual chance of flooding, which is considered to be a moderate risk of flooding.

"Flood pool" means the area adjacent to a reservoir that lies above the normal maximum operating level of the reservoir and that is subject to controlled inundation under the management of the United States Army Corps of Engineers.

Concerning the Property at

2006 Denfield Ln Childress, TX 79201

"Flood insurance rate map" means the most recent flood hazard map published by the Federal Emergency Management Agency under the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seg.).

"Floodway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel of a river or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation more than a designated height.

"Reservoir" means a water impoundment project operated by the United States Army Corps of Engineers that is intended to retain water or delay the runoff of water in a designated surface area of land.

Section 6. Have you (Seller) ever filed a claim for flood damage to the Property with any insurance provider, including the National Flood Insurance Program (NFIP)?* yes _x no If yes, explain (attach additional sheets as necessary):					
Ever risk,	s in high risk flood zones with mortgages from federally regulated or insured lenders are required to have flood insurance when not required, the Federal Emergency Management Agency (FEMA) encourages homeowners in high risk, moderated low risk flood zones to purchase flood insurance that covers the structure(s) and the personal property within the re(s).				
Adminis	Have you (Seller) ever received assistance from FEMA or the U.S. Small Busines ration (SBA) for flood damage to the Property? yes _x no If yes, explain (attach additional necessary):				
Section 8. Are you (Seller) aware of any of the following? (Mark Yes (Y) if you are aware. Mark No (N) if you are not aware.)					
Y N					
X	Room additions, structural modifications, or other alterations or repairs made without necessar permits, with unresolved permits, or not in compliance with building codes in effect at the time.				
X	Homeowners' associations or maintenance fees or assessments. If yes, complete the following: Name of association:				
	Manager's name:Phone:				
	Manager's name: Phone: Phone: and are: mandatory voluntary Any unpaid fees or assessment for the Property? yes (\$) no If the Property is in more than one association, provide information about the other association below or attach information to this notice.				
X	Any common area (facilities such as pools, tennis courts, walkways, or other) co-owned in undivided interest with others. If yes, complete the following: Any optional user fees for common facilities charged? yes no If yes, describe:				
<u>x</u>	Any notices of violations of deed restrictions or governmental ordinances affecting the condition or use of the Property.				
<u>X</u>	Any lawsuits or other legal proceedings directly or indirectly affecting the Property. (Includes, but is not limited to: divorce, foreclosure, heirship, bankruptcy, and taxes.)				
X	Any death on the Property except for those deaths caused by: natural causes, suicide, or accident unrelated to the condition of the Property.				
X	Any condition on the Property which materially affects the health or safety of an individual.				
X_	Any repairs or treatments, other than routine maintenance, made to the Property to remediate environmental hazards such as asbestos, radon, lead-based paint, urea-formaldehyde, or mold. If yes, attach any certificates or other documentation identifying the extent of the remediation (for example, certificate of mold remediation or other remediation).				
<u>X</u>	Any rainwater harvesting system located on the Property that is larger than 500 gallons and that use a public water supply as an auxiliary water source.

detector i	requireme	ents of Chapter 70	66 of the Health and Sat	ors installed in accordance fety Code?* <u>x</u> unknown r	noyes. If no	

*Chapter 766 of the Health and Safety Code requires one-family or two-family dwellings to have working smoke detectors installed in accordance with the requirements of the building code in effect in the area in which the dwelling is located, including performance, location, and power source requirements. If you do not know the building code requirements in effect in your area, you may check unknown above or contact your local building official for more information.

A buyer may require a seller to install smoke detectors for the hearing impaired if: (1) the buyer or a member of the buyer's family who will reside in the dwelling is hearing-impaired; (2) the buyer gives the seller written evidence of the hearing impairment from a licensed physician; and (3) within 10 days after the effective date, the buyer makes a written request for the seller to install smoke detectors for the hearing-impaired and specifies the locations for installation. The parties may agree who will bear the cost of installing the smoke detectors and which brand of smoke detectors to install.
