PROPERTY OVERVIEW

This riverfront estate features a gorgeous log home sitting on the banks of the Suwannee River. The home includes 5 bedrooms and 4 full bathrooms with an open floor plan and vaulted ceiling. There is a second home and additional acreage available. There is also a floating dock, outdoor cooking area, and multiple equipment barns for storage. The sale includes a 24-foot Sun Tracker boat and home furnishings.

The property features over 1,400 linear feet of frontage on the Suwannee River. The land is almost entirely upland and buildable for the future development of additional lodging. There are approximately 12 acres of fenced, improved pasture with room to add more if desired. This is one of the last large acreage parcels remaining on this stretch of the Suwannee River and the improvements make the property turn-key to serve as a hobby farm, equestrian estate or retreat facility.
