Formerly a thriving greenhouse operation, this property in Wildwood, MO, offers incredible potential. Set on approximately 5.5± acres, the property includes a 3-bedroom, 2-bathroom house and multiple outbuildings, including a large metal barn and office space. Previously spanning 52,944± square feet of greenhouse structures, the property is equipped with automated heating, cooling, and irrigation systems, as well as a 1.3-million BTU biofuel boiler. Although no longer an active business, these facilities lay the groundwork for future ventures. With a history of successful retail and wholesale operations, this property is now poised for its next chapter. The property will be sold at auction and will positively sell to the highest bidder. Don't miss this unique opportunity to acquire a versatile, well-equipped property in a prime location.
