Mr. Joe Edge
624 Ellis St.
Augusta GA 30901

To Whom It May Concern:

At its meeting on Tuesday, October 20, 2020 the Augusta Georgia Commission considered the following petition:

Z-20-49 – A petition by Joe Edge, on behalf of Hiral Enterprises Inc., Carolyn H. Usry Irrevocable Giving Trust and Guru Darsham, LLC, requesting a change of zoning from Zone B-2 (General Business) and Zone R-2 (Two-family Residential) to Zone B-2 affecting property containing 1.05 acres and known as 1632 and 1636 Walton Way and 1623 and 1627 Cleveland Street (property is bisected by Logan Lane). Tax Map 045-2-093-01-0, 035-4-590-00-0, 045-2-094-00-0 and 045-2-092-00-0

It was the decision of the Commission to APPROVE the petition with the following conditions:

1. Prior to any development, Logan Lane must be abandoned and all parcels must be platted as one.
2. If a drive thru concept is to be used, the internal and external circulation must be approved by Traffic Engineering and Planning & Development prior to submitting for site plan approval to insure safe vehicle ingress/egress and limit queuing into Walton Way.
3. The lighting for the lot shall be directed downward and away from the residential development on Cleveland Street.
4. This project shall comply with all development standards and regulations set forth by the City of Augusta, GA at the time of development.
5. If the abandonment of Logan Lane is denied, the zoning shall revert to the current zoning of each parcel in this petition.

Enclosed is an ordinance verifying this change and a zoning restriction agreement. The zoning restriction agreement must be properly signed and returned to our office for recording.

Until the agreement is received and recorded, the zoning does not become official. This decision is final.

Sincerely,

Robert Sherman *RS*
