Dear Ms. Wells:

The soils on the above referenced property have been reviewed by this department and are generally suitable for the utilization of a subsurface sewage disposal system for one residential dwelling with a maximum of three (3) bedrooms.

Prior to beginning any construction or excavation on this property a permit for the subsurface sewage disposal system must be obtained from the Knox County Health Department.

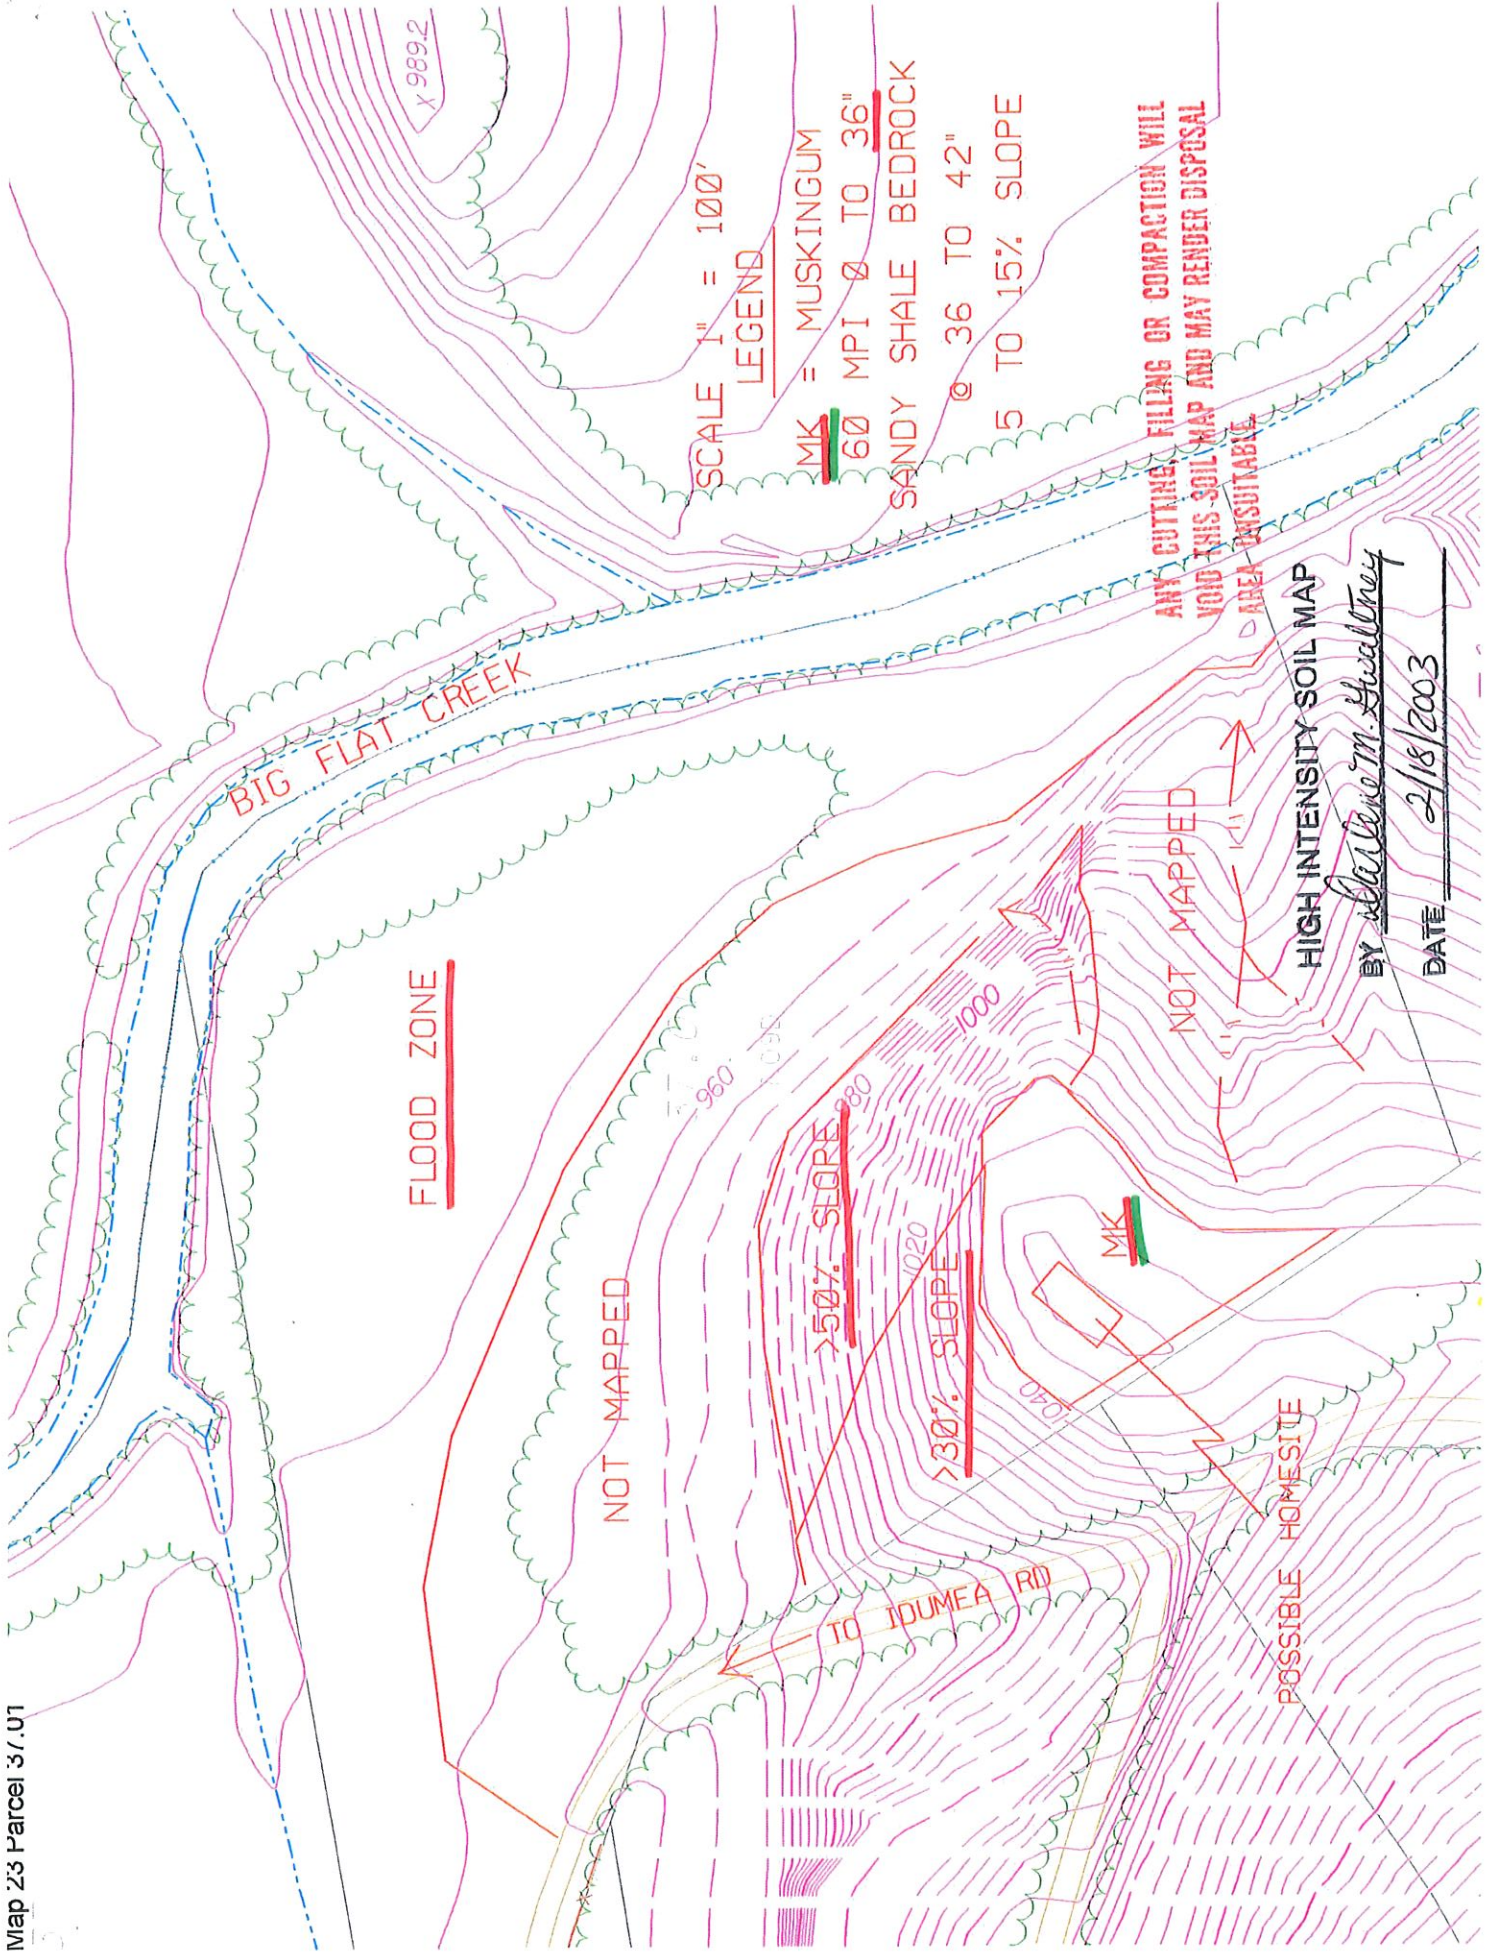

If you have any questions, please feel free to contact our office at 215-5200.

Very truly yours,
