## Description

Step into the storied past and timeless charm of the Historic Harrington Hall House, a stunning original 1880 limestone house that seamlessly blends history, craftsmanship, and modern living. Nestled on 20 acres of scenic countryside minutes from Manhattan, the additional spaces made to the home over the years make it nearly 6,000 sq. ft. offering unparalleled character and endless possibilities. The property includes a two-story barn, detached workshop/garage, potting shed, and more – all brimming with potential as a single family residence, event space, creative ventures, or a countryside retreat. Move in ready or ready to transform, this one of a kind property is waiting for its next chapter.
